EXPERIENCE

UI/UX DESIGNER

Freelancing

As a freelance UI/UX designer, I've had the opportunity to collaborate with diverse clients and projects, offering creative solutions that enhance user experiences. With a focus on user-centric design principles, I've successfully translated client visions into engaging interfaces that drive results.

FULL STACK DEVELOPER

Vertex co.

As a full-stack developer, I've gained hands-on experience in both front-end and back-end technologies. My journey in web development has involved creating responsive and dynamic web applications, optimizing server-side functionality, and ensuring seamless user experiences.

CEO/FOUNDER @CODIFFYLK

Codiffy Software

As CEO at CodiffyLK, I've led the company with a focus on innovation, growth, and client satisfaction. Under my leadership, we've driven strategic initiatives, developed a high-performing team, and successfully delivered cutting-edge solutions to our clients. My role has allowed me to combine my entrepreneurial spirit with a passion for technology to steer CodiffyLK towards achieving its vision and goals.
